(b) Retail and wholesale sales of articles originally received by pawn or purchase, and for which all applicable hold and/or redemption periods have expired.

(3) “Secondhand article dealer” means any person, other than an auctioneer, who engages in the business of purchasing or selling secondhand articles, with exceptions as stated in Wis. Stat. sec. 134.71(g).

(4) When Digital Photos are Required.

(a) The licensee must also take a color, digitized photograph of every item pawned or sold that does not have a unique serial or identification number permanently engraved or affixed, excluding only electronic media. One group photo shall suffice for mass items such as several coins acquired in one transaction. If a photograph is taken, it must be at least two inches in length by two inches in width and must be maintained in such a manner that the photograph can be readily matched and correlated with all other records of the transaction to which they relate. Such photographs must be available to the chief of police, or the chief's designee, upon request. Items photographed must be accurately depicted and submitted as digital images, in a format specified by the issuing authority, electronically cross-referenced to the reportable transaction they are associated with. All required records must be transmitted completely and accurately after the close of business each day in accordance with standards and procedures established by the police department using procedures that address security concerns of the pawnbroker or secondhand article and jewelry dealer and the police department. The pawnbroker or secondhand article and jewelry dealer must display a sign of sufficient size in a conspicuous place on the premises, which informs all patrons that all transactions are reported daily to the police department.

(b) If a pawnbroker or secondhand article and jewelry dealer is unable to successfully transfer the required reports by modem, the pawnbroker or secondhand article and jewelry dealer must provide the police department with printed copies of all reportable transactions by 12:00 noon the next business day.

(c) If the problem is determined to be in the pawnbroker's or secondhand article and jewelry dealer's system and is not corrected by the close of the first business day following the failure, the pawnbroker or secondhand article and jewelry dealer must provide the required reports as detailed in State Statute, and shall be charged a daily reporting failure fee of \$10.00 until the error is corrected; or, if the problem is determined to be outside the pawnbroker's or secondhand article and jewelry dealer's system, the pawnbroker or secondhand article and jewelry dealer must provide the required reports pursuant to State Statute and resubmit all such transactions via modem when the error is corrected.

(d) Regardless of the cause or origin of the technical problems that prevented the pawnbroker or secondhand article and jewelry dealer from uploading the reportable transactions, upon correction of the problem, the pawnbroker or secondhand article and jewelry dealer shall upload every reportable transaction from every business day the problem has existed.

(e) The provisions of this section notwithstanding, the police department may, upon presentation of extenuating circumstances, delay the implementation of the daily reporting penalty.

(f) Subsection (5) shall not apply to businesses that did not have 200 reportable transactions in the past calendar year. However, any such pawnbroker or secondhand article and jewelry dealer must follow the daily reporting procedure for each reportable transaction by submitting a written transaction

form approved by the police department to the department on the business day following the date of the reportable transaction.

6.34 **SEXUALLY-ORIENTED ADULT-ENTERTAINMENT ESTABLISHMENT LICENSE.**

(1) INTENT. (Rep. & Rec. GO 34-96) It is the purpose of this section to regulate sexually-oriented adult-entertainment establishment businesses (hereinafter referred to as adult establishment) to promote the health, safety, morals, and general welfare of the citizens of the City of Green Bay, to aid in the alleviation and prevention of the adverse and deleterious effects of criminal activity and disruption of the public peace associated with such establishments, and to establish reasonable and uniform regulations to prevent the serious health hazards associated with unsafe and unsanitary conditions known to exist in those establishments and to alleviate the spread of sexually transmitted diseases and other contagious diseases in those establishments; and

Further, the Common Council has the specific authority under the 21st Amendment to the U.S. Constitution, as interpreted by various courts, to prohibit certain forms of activity in alcohol-licensed establishments, and further has the general police power to protect the public health, safety and general welfare of its residents in both alcohol and non-alcohol licensed establishments; and

Further, certain activities as defined herein, and the businesses within which such activities or simulations thereof may occur, have in other communities tended to further the increase of criminal and other offensive activity, to disrupt the peace and order of the communities, to depreciate the value of real property, to harm the economic welfare of the communities and to affect the quality of life of the communities, and that these secondary effects are detrimental to the public health, safety and general welfare of citizens, and

Further, the Council recognizes that some activities described herein are protected as expression under the First, Fourth, Fifth, Ninth and Fourteenth Amendments to the United States Constitution, and the Council further recognizes that such rights are among our most precious and highly protected rights, and wishes to act consistently with full protection of those rights; and

Further, based on experience in other communities, the Council is aware, however, that businesses associated with such activities and such activities themselves may and do generate secondary effects which, the Council believes, are detrimental to the public health, safety and welfare of the citizens of the City of Green Bay; among these secondary effects are (a) the potential increase in prostitution and other sex-related offenses, as well as other crimes and offenses, (b) the potential depreciation of property values in neighborhoods where these activities may occur, (c) health risks through the spread of sexually transmitted diseases, and (d) the potential for infiltration by organized crime for the purpose of unlawful conduct; and

Further, the Council further recognizes that these activities, and the businesses within which these activities or simulations thereof may occur, have serious objectionable operational characteristics, particularly

when located in proximity to each other and other areas as specified herein, thereby contributing to urban blight and downgrading the quality of life in the adjacent area and surround neighborhoods; and

Further, the Council, desiring to prevent these adverse effects and thereby protecting the public health, safety and general welfare of the citizens of the City of Green Bay, protecting its citizens from increased crime, preserving the quality of life, preserving the property values and character of surrounding neighborhoods and deterring the spread of urban blight, believes that the following rules promote the goal of reducing the secondary effects noted above.
